- Brecon Recycling Centre: re-opening 11th March 2024
- Energy and Transport Use Across Mid Wales: survey running until 31 March 2024 (<https://bit.ly/MidWalesLAEP>). Consultation events into community transport options around Crickhowell are also being held by Llangattock Community Council.

Cllr Masfield was thanked for preparing such a comprehensive report and asked to carry forward the Schedule of Highways Issues until all matters listed are resolved.

Members reported the following highway matters:

Llanbedr:

Green Cottage – ditch was cleared but culvert remains blocked - water on road.

Edge of road breaking away opposite Tredomen.

Pothole in road on bridge by the Quarry.

Bridleway – culvert blocked – footpath by Penrheol to church also blocked.

Three Corner Wood – water from fields below Guddr Bungalow is running down road – a channel needs digging in verge to divert water into field.

Glangrwyney:

Pothole by Penstar – Cllr Masfield will report this and advised residents to report potholes using Powys' online reporting system. The Trunk Road Agency has a similar system for trunk road issues.

Crickhowell:

Flooding on A40 by football field

Potholes on A40 from Red Indigo into town.

Llangenny:

Culvert on Vicarage Hill gets blocked and needs regular clearing.

Other Matters:

Grwyne Fechan: bin lorries are not collecting waste from the top of the valley. Cllr Masfield advised residents report this using Powys' online system and also inform her.

Llangenny: school bus picks children up on the corner by the playground – cars speed around this corner – could a warning sign be erected?
