

The Vale of Grwyney Community Council

Grant Awarding Policy (Over £100)

Introduction to Policy

A grant is any payment made by the Council to be used by an organisation for a specific purpose that will benefit the community, or residents of the community, and which is not directly controlled or administered by the Council. The Council awards grants, at its discretion, to community organisations which can demonstrate a clear need for financial support to benefit the community by:

- Providing a service
- Enhancing the quality of life
- Improving the environment
- Promoting the Vale of Grwyney in a positive way

Grant Application Process

1. Applications should be sent to the Clerk to the Council. The Clerk will collate all the necessary information from the applicant ready for presentation and discussion at the appropriate Council meeting.
2. Applicants will be required to complete an application form. All questions on the application form should be fully answered and additional appropriate information, which supports an application, should be provided. Any question deemed not applicable should be marked "not applicable".
3. In addition to the application form organisations will be required to provide the following supporting information:
 - a copy of their written constitution or details of their aims and purpose,
 - full details of the project or activity,
 - demonstration that the grant will be of benefit to the local community,
 - the proportion or number of beneficiaries living in the electoral area,
 - demonstration of a clear need for the funding,
 - a copy of the previous year's accounts or, for new initiatives, a detailed budget and business plan.
4. The Council will expect to receive in writing to the Clerk any expression of interest for a possible grant application exceeding £200 by 31 October of the financial year prior to the funds being required in order that budget provision can be considered. Submission of applications is required by 30 November of the financial year prior to the funds being required.
5. The Council will make the decision on which grants to award. All applicants will be contacted following the Council's decision.
6. The Council has a limited budget each year and guidance can be given to applicants as to how much money is likely to be available in a specific financial year.
